# TUNNEL TO TOWERS NATIONAL GOLF TOURNAMENT - SUPPORTING OUR TROOPS -

Presented on **VETERAN'S DAY, 11.11.11**

by the **Stephen Siller Tunnel to Towers Foundation**

## STEPHEN SILLER'S LEGACY

On Sept. 11, 2001, New York City firefighter Stephen Siller was on his way to play golf with his brothers after working an overnight tour in Brooklyn, when he heard the first reports of a plane flying into the World Trade Center, turned his truck around, returned to his firehouse to gather his gear, and drove toward the Trade Center. When he found the Brooklyn Battery Tunnel blocked to traffic, the 34 year old father of five abandoned his truck, ran through the tunnel with 60 pounds of gear on his back, and was killed trying to save people when the Twin Towers fell. To honor his memory and the sacrifice of all those who were killed on Sept. 11, Siller's family organized the **Tunnel to Towers Run**, retracing his steps from the Brooklyn side of the tunnel to the foot of the Twin Towers. This year will mark the 10th anniversary of the race, which has grown to more than 20,000 runners and walkers, many of them firefighters and military personnel from around the world, and is televised by CBS. In fact, many other 9/11 runs are scheduled across the country this September.

**VETERANS' DAY GOLF** In gratitude for the troops who took up the fight against those who attacked America, the Stephen Siller Tunnel to Towers Foundation organized a Veterans' Day golf outing on all three golf courses on Staten Island.

**OUR VISION** the proceeds from the golf tournaments will be going to veterans' causes including: **1. Freedom Alliance Scholarship Program** for the children of service members killed in defense of their country; **2. Hope for the Warriors** an organization dedicated to assisting U.S. service members and the families of those who have been killed or wounded, the Tunnel to Towers Foundation is moving toward its goal of a National Golf Tournament, with tournaments in every corner of the country where a soldier needs help. **3. Staten Island Project Homefront** a local organization that assembles and mails care packages to our troops serving in all military branches in Afghanistan, Iraq & Kuwait.

**MAJOR TUNNEL TO TOWERS EVENTS SCHEDULED:** GARY SINISE concerts in St. Louis & Chicago; NASCAR Race in Richmond Va.; Tunnel To Towers Runs across America on 9/11 weekend; "Tribute to our Heroes" Concert on Sept 9th at Liberty State Park; and The 10th Annual Tunnel To Towers Run in NYC Sept 25.
